BUT no one knew his position on the matter UNTIL THIS VERY MOMENT. PLUS...

“For those gathered watching the speech, cell phones were jammed. Therefore, most people had no idea way of knowing what was happening at the Capitol.”

And we’re going to try and give (someone shouts something from audience) the Democrats are hopeless. They’re never voting for anything. Not even one vote. But we’re going and give our Republicans... the weak ones, because the strong ones don’t need any of our help... We’re going to try and give them the kind of pride and boldness that they need to take back our country. So let’s walk down Pennsylvania Ave. I want to thank you all. God Bless You and God Bless America. Thank you all for being here. This is incredible. Thank you very much.”

ALSO NOTE: In one of these videos, one man in a light blue jacket wearing a MAGA hat – rips his jacket off (common Antifa tactic - change of clothes) and intentionally turns his hat around backwards as he agitates. The backwards hat was talked about in pre-rally posts as to how “false flag” ANTIFA could identify each other in the crowds.

We have to have peace. We have to have law and order. We have to respect our great people in law and order. We don't want anybody hurt.**

“It's a very tough period of time. There's never been a time like this where such a thing happened where they could take it away from all of us — from me, from you, from our country. This was a fraudulent election, **but we can't play into the hands of these people. We have to have peace. So go home.** We love you. You're very special. You've seen what happens. You see the way others are treated that are so bad and so evil.

EOD (Explosive Ordnance Disposal) sweep

IW team (I assume this is short for IT Eavesdropping) sweep
