

# Understanding the Concept of Terrain Theory

This experiment is what "Scamdemic" is about.

**"Isolation" Paper from Australia Used by Scientific Community to Document Existence of SARS-CoV-2**

\*Caly L, Druce J., Roberts J. April 2020

This experiment proves the pandemic never EVER existed.

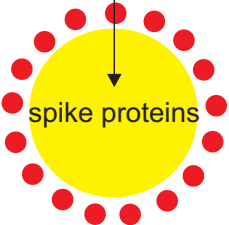

**Experiment Performed by Dr. Stefan Lanka, Ph.D. German Biologist and 'former virologist'**  
\*Performed April 2021

Vesius...

swab of a 'sick' person (NON-isolated cells) put in monkey kidney cells with Trypsin (protein-digesting enzyme)

*EVERY "viral genome" analysis is NOT done on isolated samples, but with protein-breaking enzymes!*

PCR tests simply 'amplify' the resulting cellular breakdown

CPE (CytoPathic Effect) **Incorrect Interpretation:** means that coronavirus particles are present

*An imaginary theoretical virus genome is then created using a computer - this is all that "in silico" means.*

*Traditional Unproven Virology "Germ Theory" = Germs are attacking the cell.*

**Result: Contagion Fear**

Churches and society are shut down.  
Mass redistribution of wealth to global entities.  
Pharmaceutical entities enriched.  
Smiles are cancelled.

Day 1

Cell culture with **normal** nutrient, plus 1 antibiotic

Cell culture with **normal** nutrient, +10% fetal calf serum and 1 antibiotic

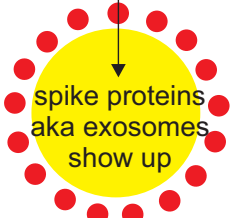

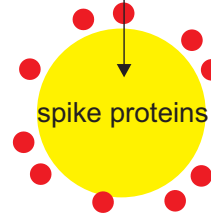

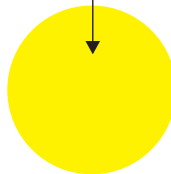

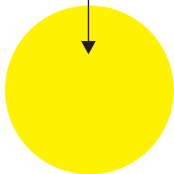

Cell culture with **\*minimal** nutrient, 1% fetal calf serum and 3 antibiotics

Cell culture with **\*minimal** nutrient, 1% fetal calf serum, 3 antibiotics and yeast RNA

*\*cells with less nutrition have more stress.*

**NOTE:**  
*At no point was a pathogenic "virus" added... I.E. NONE of these cell culture experiments included swabs of so-called "viral" material from any sick person.*

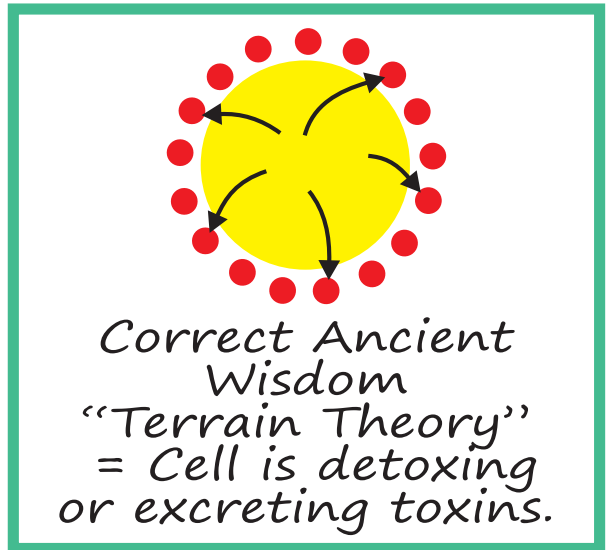

Day 5

Control Group:  
No CPE  
No cell breakdown

**SAME CPE (CytoPathic Effect)**  
**Correct Interpretation:** Cells are breaking down by being starved in a toxic environment.

*\* People test positive for CPE because of toxicity or lacking nutrition.*

*Correct Ancient Wisdom "Terrain Theory" = Cell is detoxing or excreting toxins.*

**Result: Self Empowerment**

Our Holy Temples are treated with better care: better nutrition, better habits, more reverence.  
The Kingdom of G\*D lies within.
